

Beginning OCTOBER 1, 2027 the Auxiliary to the Pleasant Valley Community Fire Company will be selling for our **10th YEAR The NEW 2027 Auxiliary Yearly Lottery Fundraiser**. If you are familiar with this fundraiser from past years, we hope you have enjoyed the fun of it. If you have not had the hunch or been lucky to win with your chance ticket for all 365 days of the calendar year with a 3 digit number that matches the MIDDAY--Maryland Lottery PICK 3#, then maybe you might consider giving it a try.

The Auxiliary does really appreciate all the support and friendships you share with our members and family and hope you also come out to our beautiful Pleasant Valley Community Volunteer Fire Company for the many public events that we hold during the year. We take pride in our facility and will always be striving in some way or another to raise money to support our Fire Company through many yearly events. With never ending expenditures for maintaining and upkeep on our facility or purchase of replacement fire apparatus, we strive to always to "REMEMBER WHY WE SHOW UP AND VOLUNTEER" & "WORK HARDER GRACIOUSLY"

AS ALWAYS -- **REMEMBER--**All Tickets purchased with WINNING PIC3#'s will be PAID retroactive back to January 1, 2027.
